### Ultra Rugged Design

- FKM is a high-performance fluoroelastomer used in demanding applications in the automotive and pharmaceutical industries. We chose FKM for its light weight and flexibility, allowing us to create an uncompromising modern design that pairs perfectly with Apple Watch Ultra.

### Enduring Performance

- Unlike low-grade rubbers, FKM will not sustain damage from high temperatures, exposure to sunlight, or chemicals. FKM is also resistant to oils, allowing it to easily wipe clean after any adventure.

### Every Detail Matters

- We carefully designed Rugged Band's ribbed interior and micro-textured surface for all-day comfort. Contours on each end allow the band to naturally curve around your wrist for a comfortable fit, and molded loops securely hold the end of the band in place.

### Stainless Steel Buckle & Lugs

- Each band is fitted with our custom designed, metal injection molded (MIM) buckle and lugs. High tolerance fit and sharp details are created with this industry leading marine grade 316 stainless steel. Choose between either Silver or Black hardware.

## Nomad Sport Strap M/L, coastal rock - Apple Watch Ultra 2/1 (49mm) 9/8/7 (45mm)/6/SE/5/4 (44mm)/3/2/

PN NM01111085  
RRP 70,39 €  
EAN 856500011127

- Designed to give your Apple Watch a modern and athletic look for intense workouts and everyday wear.
- Sport Band has a lightweight and breathable design which is constructed from a soft, flexible FKM rubber for all-day comfort.
- 100% waterproof
- A low-profile pin-and-tuck mechanism ensures a secure closure.
- Designed for wrist sizes ranging from 150mm to 210mm
- Materials: Compression-molded FKM, aluminum closure pin

### Workout Ready

- Sport Band is built around a minimalist design meant to keep the weight low and ventilation high. Channels in the bottom of the band and full length adjustment holes increase breathability and flexibility.

### Pin and Tuck Closure

- Sport Band is finished with a custom-designed pin and tuck closure mechanism that is both slim and secure. The aluminum pin latches through the band while the tail end is tucked away neatly against your wrist.

### High Performance

- We use FKM on Sport Band for its excellent balance of comfort and durability. FKM's natural flexibility allows the band to easily contour around your wrist and its resistance to oils allows it to quickly wipe clean after a workout.

### Bold Design

- A sporty aesthetic and sharp details combine for a distinct, yet understated look unique from any other band. The Coastal Rock FKM is finished with a subtle microtexture for a classy satin finish.

## Nomad Sport Strap M/L, white - Apple Watch Ultra 2/1 (49mm) 9/8/7 (45mm)/6/SE/5/4 (44mm)/3/2/1(42mm)
